

Father Paul's Perspective

In both Alexandria and Elwood there is a food pantry sponsored by all of the churches in the town. Both of them are in need of canned food, packaged food, paper products and health products.

Products may be brought to church when you come to Mass. In Elwood there is a place for food in the back of church and in the side entrance. In Alexandria there is a place for food in the narthex.

With so many people out of work or with limited incomes, many depend on the food pantry to help them. If each family brought just a little, it would help others a lot.

Remember, Christ asked us to share with others; "What you do to the least of my brethren, you do unto me. "Let's practice our Christian charity.

The good steward must not show favoritism. The rich may have many material gifts to share, but St. James reminds us in the second reading that God has chosen the world's poor to be rich in faith and inheritors of God's kingdom.
